

Dayna Dueck  
4<sup>th</sup> Year Midwifery Student  
UBC Midwifery Program

I am so looking forward to returning to Semiahmoo Midwives for my 4<sup>th</sup> and final year of midwifery school (September 2021-April 2022)!

From a young age, I was fascinated with birth and it was after receiving midwifery care myself that I knew I wanted to become a midwife and care for the birthing women in my community. I worked for several years as a doula, birth educator, and community volunteer before beginning the UBC midwifery program in 2018. When I am not studying, I enjoy reading, yoga, and exploring beaches with my family.

Thank you for welcoming me and for giving me the opportunity to learn and care for you during this special time in your life!
